2020 MORE....

## **Adrenalina 2 (13 x 30 mins) HDTV & 4K**

An action sport TV series that connects the audience with true athletes who would rather spend their lives pushing the limits than checking the clock from 9 to 6. Entirely shot in 4K, run and gun reality TV style incorporating the 4th wall but utilizing the latest in film technology (high speed recording, 4K aerials, 4K underwater, POVs and host Pablo utilizing on camera a myriad of video capable gadgets) and editing from the fast cuts of the action packed sports segments to the more relaxed and intimate moments interacting with the locals and their lifestyles, cooking and eating their food and hanging out at the most amazing travel destinations.

## **Death Threat (13 x 30 mins) HDTV**

Former New Zealand Rugby All Black Captain Buck Shelford is putting together a whole new team, and this time he's fighting for the state of men's health in New Zealand. This series features the legendary rugby player and a team of top-flight health professionals. Each episode Buck and his team combat a new health issue – issues that are so serious, the men featured in the series stand on the edge of fatality. Topics include: cholesterol, diabetes, heart failure, hypertension, gout, obesity, sleep apnea, depression and stress.

## **Moving Out (13 x 30 mins) HDTV**

With the average cost of a house in New Zealand's largest city Auckland heading towards a million dollars, the long-term trend is clear. For more New Zealanders than ever, home ownership in Auckland in particular is moving out of reach - and high city rentals mean saving for a home deposit is pretty much impossible. More and more, people are finding they can discover the lifestyle they want outside the city limits. Moving Out, follows families as they pack up their lives in the city and start over in regional locations in search of a better life.

## **Wild Game Cooking (13 x 30 mins) HDTV**

This series presents some quick and easy ways to prepare wild game. From rabbit and venison to alligator and bear, Chef Rupert Boreland and his team of guest chefs prepare wild game dishes that are delicious and nothing that you'd expect. Cooking wild game is more than boiled meat, and Wild Game Cooking shows you how to get the most out of your wild game.

## **At Home with Didiayer Series 3: Abroad with Didiayer (8 x 30 mins) HDTV & 4K**

Didiayer has a plane to catch! Destinations on the map to explore: Australia, New Zealand, and even Hawaii. Fueled by an ambition to engage with the local citizens in many diverse communities, this season's adventures aim to broaden the audience's cultural perceptions. Didiayer and family continue to follow the path as bona fide experience-seekers, casting a light on the essentiality of each destination, serving the audience's insight and inspiration to take a trip.

## **Coop Dreams (53 x 30 mins) HDTV New Episodes!**

It's Green Acres meets Home Improvement meets This Old House in this refreshingly informative and on-trend unscripted lifestyle series. Join the adventurers of a suburban family gone rural in their search of a more sustainable lifestyle. Dad's dream is to try raising backyard chickens but other family members are not as enthusiastic! Laugh and learn as we discover whether or not Dad and the gang make his Coop Dreams come true.

## **Put Some Colour in Your Life (Ongoing x 30 mins) HDTV New Episodes!**

Australian master artist Graeme Stevenson travels around Australia, New Zealand, the US and UK on his Harley Davidson filming artists in their studios and showing their techniques. The series is educational, entertaining, humorous and enables viewers to learn from some of the best artists in the world.

# Second Opinion

## Second Opinion Series 16 (10 x 30 mins) **HDTV New Episodes!**

The long running PBS medical series now with a new format including a live studio audience along with a personal look at the patient's medical condition and the panel of experts on its treatment. Medical professionals engage in honest, in-depth discussions about life-changing medical decisions. (111 episodes available)

## All the Best with Zita Keeley (28 x 30 mins) **HDTV New Episodes!**

Cook, wine specialist and author Zita Keeley is on a mission to travel around the world aboard luxury cruise ships and European River Boats in search of culinary delights in the places she visits. Cruising only allows for a taste of a place - kind of like speed dating. So, in her short time in port she seeks out local chefs, markets, restaurants, breweries, wineries and producers introducing her to what makes that particular place special.

## Fishing World (71 x 30 mins) **HDTV**

Fishing World brings to television the beautiful world of travel and fishing. The series is filmed in many different locations: Oman, Nicaragua, Costa Rica, Florida, Alaska, Texas, Idaho, California, Wisconsin, Romania, Greece, Italy, Mexico, Barbados, Guyana, Australia, Thailand, Malaysia and Cuba. Unlike many other fishing shows, Fishing World is filmed in true documentary style, which means no additional filming, no written stories about monsters, but true stories about what really happened during eight years of filming.

## Music Mix USA (Ongoing x 30 mins) **HDTV**

Music Mix USA features the latest popular music videos and exclusive interviews with some of the hottest bands from around the world and presents new break-out artists! Names like Ed Sheeran, Taylor Swift, Maroon Five, Justin Bieber, Carrie Underwood and many more! Music Mix USA features the top videos in music - from Rock n Roll, Pop, R&B, Hip Hop, to Country music!

## A Seat at the Table: New Zealand's Wine Story (101 or 45 mins) **HDTV & 4K**

France makes the most desired, revered and expensive wines in the world. They've had centuries to hone their craft. If you make fine wine, France is the benchmark. Or are they? One country famous for punching above its weight is taking on the aristocracy. This is a story featuring the Worlds' most renowned winemakers, critics, writers and fine wine merchants. Travelling from the Old World to the New World we explore the history, culture and tension in the changing world of fine wine, answering that one question - has New Zealand earned a seat at the table?

## The Great White Shift (60 mins) **HDTV & 4K**

Witness, along with top divers, biologists and shark scientists, a pivotal moment in our understanding of the Great White. Feared, finned, driven to the brink of endangerment, *Carcharodon Carcharias* reveals long-held secrets. Finicky, elusive, curious, highly intelligent and with electrosensory systems, what we are only just beginning to understand about the Great White will astound you. Come along for a groundbreaking look at an ancient and amazing creature that has adapted and prospered through two mass extinctions and, today, has only one mortal enemy: us.

## Vitch (78 mins) **HDTV & 4K**

A daughter tells the story of the controversial choices that her father, a Jewish artist from Poland, made in order to survive the Holocaust. Eddie Vitch (née Ignace Levkovitch) was a talented caricature and mime artist. His iconic drawings of the silver screen's biggest stars covered the walls of the Brown Derby restaurant in Los Angeles - a famous backdrop to Hollywood and the stuff of celebrity lore. When Germany invaded France in 1940, he was performing in Paris. The Nazi officers who saw him on stage sent him to perform in Germany by orders of the Propaganda department. Throughout the war he performed in front of the Nazi elite, including Goering and Goebbels, and the Gestapo in Germany's most prestigious theaters. His documents identified him as "Levkovitch," a recognizably Jewish name. In other words, he

was hiding in plain sight, or maybe the Nazis were protecting him?

## Pioneers In Aviation (3 x 60 mins) **HDTV**

This EMMY-nominated PBS documentary series profiles America's legendary aerospace pioneers, whose achievements led the nation and the world from the era of open-cockpit biplanes to the very threshold of space. Pioneers features newly-recovered archival footage in pristine HD, period music, and on-camera commentary by some of America's foremost aviation scholars. PIA celebrates a uniquely international heritage in documenting the lives of the men who founded the fledgling airplane industry and, together, forged the very history of flight.
