

New Orleans Live is a music performance television series celebrating the incredible diversity of genres emanating from the birthplace of Jazz and the cradle of American popular music.

The series draws on deep historical roots but presents a contemporary and forward looking snapshot of the flavorful musical gumbo that is New Orleans. If you love music and revel in the energy of live performances, this series will completely satisfy your craving for an authentic musical experience. *New Orleans Live* contains (14) one hour episodes featuring 43 bands that collectively traverses the broad spectrum of contemporary American music.

New Orleans Live is produced by New Orleans Media Entertainment LLC, an award winning video and television production company.
