All the Best with Zita Keeley

Cook, world traveler and author Zita Keeley is on a mission, to travel around the world aboard top line cruise ships in search of culinary delights in the places she visits.

Cruising only allows for a taste of a place - it's kind of like speed dating - and so in her short time in port she seeks out local chefs, markets, breweries, wineries and producers, introducing her to what makes that particular place special.

All the Best with Zita Keeley is a foodie's travel show in the unscripted reality lifestyle genre. A 'true' reality show, Zita travels the world visiting some of the most beautiful places and trying outstanding culinary delights along the way. With no script to follow we see Zita genuinely responding to the places, people, food and drink she's offered. Be it familiar, strange or downright peculiar she's up for anything -including scuba diving for and cooking her own seafood!

Season 1 finds Zita exploring culinary delights in: Quebec City, Charlottetown, Sydney and Halifax (Nova Scotia, Canada), Bar Harbor, Maine (USA), Copenhagen (Denmark), Tallinn (Estonia), St. Petersburg (Russia), Helsinki (Finland), Stockholm (Sweden), Rostock and Kiel (Germany), Venice, Positano and Rome (Italy), Katakolon, Naphlion, Athens, Mykonos, Rhodes and Santorini (Greece), and Kusadasi (Turkey).

Season 2 Zita travels on the Danube from Prague, Czech Republic, Nuremberg, Germany, Regensburg, Germany, Passau, Germany, Spitz, Austria, Vienna, Austria, Budapest, Hungary and then on to Alaska from Seattle, Washington, to Ketchikan, Alaska, Juneau, Alaska, Icy Strait Point, Anchorage, Alaska, Homer, Alaska, Kodiak, Alaska, Sitka, Alaska and Victoria, British Columbia
