HDTV PROGRAMMING

October 2009

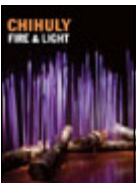

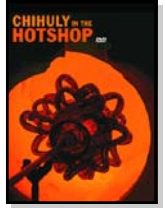

Arizona Highways (130 x 30 mins) **HDTV** Arizona Highways Television showcases the best the state has to offer. This is an opportunity for viewers to see breathtaking sights, luxurious places and the people who give Arizona its sunny, Southwestern charm.

Biz Kids (52 x 30 mins) **HDTV** A fun new PBS series about kids, money and business produced in association with Junior Achievement. From the creators of "Disney Presents Bill Nye the Science Guy," this ground-breaking series grabs kids by their wallets and shows them how to make and manage their own money.

Touching the Future: The 40th Tokyo Motor Show (48 mins) **HDTV** An exclusive glimpse into the future of the automotive world at the Oct 2007 Tokyo Motor Show. Includes a look at fuel-efficient and electric cars and also the talented female models who adorn each displayed vehicle.

Chihuly in the Hot Shop (90 mins) **HDTV** Glass artist Chihuly reunites glass blowers from important periods of his career during a weeklong residency. More than 10,000 visitors watch as Chihuly and his team blow glass representing over thirty year of work.

Chihuly: Fire & Light (60 mins) **HDTV** This film captures the world famous glass artist Dale Chihuly's belief in the importance of a collaborative team and the significance this interaction plays in exhibition preparation. *Chihuly at the de Young* took more than two years to plan, create, and execute — making it Chihuly's most ambitious exhibition to date.

Delicious TV's Totally Vegetarian (39 x 26 mins) **HDTV** A cooking and lifestyle series hosted by Toni Piore. Lively, colorful, and upbeat, emphasizing fresh ingredients easily prepared. Totally Vegetarian offers not just recipes but the facts, delights, and challenges of the vegetarian lifestyle.

Fantastic Festivals of the World (29 x 60 mins) **HDTV** Visits fascinating festivals all around the world incl Spain, New Zealand, Japan, New Guinea, India and the USA. Experience the festival and the local culture in beautiful HDTV.

Fantastic Foods of the World (13 x 30 mins) **HDTV** - Great cuisine is not just a combination of the best ingredients, blends of exotic spices, and the latest cooking trends of creative chefs but all of these elements and more are combined in a visually stunning concoction to create a mouth-watering series that not only entertains the viewer but opens new travel possibilities.

Fearless Music TV (Ongoing x 30 mins) **HDTV** From New York City, taped live studio performances of local and international bands showcasing the most cutting edge acts in the modern rock movement.

Filmic Art (34 x 15 mins, 36 x 12 mins) **HDTV** This series of interstitial clips provides breathtaking digital art with motion. Rather than focusing on still images, fireplaces or aquariums, the viewer uses the flat-screen for what it is supposed to do - show moving images with aesthetic beauty. Viewers explore various art genres and motifs including Baroque Art, Surrealism, Digital Art, Ambient Art, Abstract Art, Urban Art, Nature Art & more.

Good Time Golf (19 x 30 mins) **HDTV** Hosts take viewers to North America's most exciting and spectacular golf courses: Arizona, Vancouver, San Diego, Utah, Texas and everywhere in between! **Good Time Golf Tips** (26 x 2 mins) & **Good Time Golf Exercise** (26 x 2 mins) **HDTV** Interstitial programs featuring hints on golf play and keeping fit for the game.

Great American Festivals (3 x 60 mins) **HDTV** Travel the US and visit the most exciting festivals around, meeting the people and learning the history that makes these celebrations truly one of a kind.

Interactive Entertainment (13 x 30 mins) **HDTV** IE is a viewer responsive show that acts as a fully immersive world for the growing number of video game addicts. The series features reviews and previews of the latest games, technology, equipment, consoles and more.

Inquisitive Minds (13 x 28 mins) **HDTV** Live action series fulfilling a child's fascination and curiosity for the world around them: What is it? How does it work? What does it do? Why?

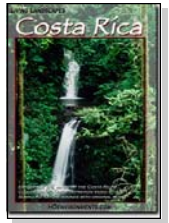

Into The Drink (13 x 60 mins) **HDTV** A different kind of travel show hosted by underwater filmmaker and journalist Aaron Faulstich, each episode features a new destination and the uncharted waters it holds, as well as the local distilleries, breweries and pubs that are unique and native to that location. International destinations include Puerto Rico, The Philippines, Australia, Jamaica, USA, The Azores, South Africa, Egypt and more.

Jumping In Puddles (25 mins) **HDTV** Jumping In Puddles is a deeply moving look at the story of Natasha Bray, who died along with six others in a flash flood in New Zealand's North Island. Her story is an opportunity for viewers to see into the heart of a young girl who had a vision to change her community.

Liquid Extremes (6 x 30 mins) **HDTV** This series travels to custom boat building and design shops: any place where a unique design or boat show event featuring extreme power boat activity happens. The process is followed from concept to completion of the finished dream power boat. Including filming of the creation of the boat shell, layout, graphics, engine/power tuning and lake testing, the viewers enjoy local highlights and some of the biggest personalities in the custom boat building industry.

Living Landscapes (11 x 60 mins) **HDTV** The world's most inspiring natural environments come to life through the magic of High Definition video and 5.1 surround sound. **World's Most Beautiful Places** (75 mins) **HDTV** An introduction to the Living Landscapes HD Collection.

The Magic of Hong Kong (60 mins) **HDTV** Discover the hidden secrets of this multi-colored, fascinating culture: a herb shop dispenses secret remedies, on car-less Cheung Chau Island elevated children parade like divine beings at the famous Bun Festival, miles of peaceful hiking trails exist just minutes from downtown and diners enjoy the deadly poisonous Stone Fish.

MatchMakers (95 or 60 mins) **HDTV** An exploration of matchmaking and the pursuit of love, MatchMakers reveals the business of finding a mate. Today, mail-order brides, trips to the local matchmaker, and evenings in front of the computer are feasible options in the ever-growing matchmaking industry.

Mississippi Son (60 and 90 mins) **HDTV** Shot on the Mississippi Gulf Coast, featuring never-before-seen storm footage, and scored with an original blues-rock soundtrack composed and performed by Katrina survivors, Mississippi Son tells the heartwarming story of the people, the culture, and the future in the wake of Hurricane Katrina. Film Festival award winner.

Motorsport Ranch (13 x 60 mins) **HDTV** A luxuriously rustic Texas country club is the location for eccentric and wealthy members to socialize, entertain and race exotic dream cars on a state-of-the-art track. In each episode, the members race against each other in a winner-takes-all competitive trial of speed.

Oregon Dunefest (60 mins) **HDTV** Featuring the people, events and activities of one of the best dune festivals in the USA, host Karen Osborn goes behind the scenes to explore the races, stunts, games and adventure of this weeklong event.

The Over/Under (13 x 60 mins) **HDTV** The true story of the hard-working crew of the Turks & Caicos Explorer II, a luxury live aboard dive attractions, yachting, polo, equestrian, tennis and golfing events with the international celebrities that make Palm Beach the ultimate destination vessel. Whether it's fires, broken props, missing dinghies or coworker quarreling, everything must be handled behind the scenes. Guests aboard these boats pay thousands of dollars to live in style for a week and enjoy their ultimate dive vacation with some interesting drama along the way.

Open Book Club (ongoing x 30 mins) **HDTV** Together with a host of writers, journalists, comedians, and more, Christy Cashman and Debbie DiMasi play host to renowned authors to discuss and debate their latest books. Each guest has varying opinions based on their respective walks of life, making for absolutely exhilarating intellectual conversations. Guests include Tom Perrotta, Andre DuBus, Dennis Lehane, Joseph Finder, Junot Diaz, Jennifer Laigh, Ruchard Russo, Elinore Lipman and much more.

Planet Fashion (ongoing x 30 mins) **HDTV** This series is dedicated to every aspect of the exciting world of fashion and design. Planet Fashion provides a look into the industry by covering runway shows, interviewing designers and models, while featuring segments with top stylists, makeup artists and industry gurus to give viewers an in depth understanding of what is currently "in".

Team Marco Polo (13 x 30 mins) **HDTV** A live action children's series that helps kids learn about travel and the cultures of other countries. There is lots of footage of kids on location and humorous characters teaching children about world history, art and culture.

Tokyo Motor Show 2009 (60 mins) **HDTV** This program is as swift and exciting as the automobiles it features. From cutting-edge designs to the newest technological developments, viewers witness how engineers and designers are dealing with contemporary issues of safety, environmental sustainability, customization and aesthetic appeal. Available December 2009.

An Unbelievable Journey (60 mins) **HDTV** The incredible journey of one man and his small dedicated team trying to prove an unbelievable water and waste oil fuel to the world, by driving 2000 miles across the Australian Desert.

Water Pressures (60 mins) **HDTV** Despite its poverty and lack of resources, rural India is leading the way in collaborative water management. There, desert communities, corporations, health organizations, foundations, water experts, women's self-help groups and villagers have partnered to develop local solutions to water problems. Water Pressures highlights this innovative Indian model of systematic collaboration. Available for Earth Day 2010, April 22.

Watercolor Quest (13 x 30 mins) **HDTV** This new, innovative 13-episode series follows veteran PBS host and award-winning painter/photographer/host Gary Spetz, as he travels the Caribbean, Mexico, Hawaii, Alaska and Montana, in search of his next painting compositions.
