Coop Dreams

Join Brad, a typical suburban dad gone rural, as he tries to bring his family on board while learning the ABC's of keeping chickens. From Araucanas to bumble foot to coop building and beyond, it's a tall order for a rookie...so Brad sets off across the country for advice.

Viewers will find themselves cheering and laughing as Brad confidently attempts to build his own coop and eventually brings home his first chickens. And they share his sorrow when unforeseen challenges and tragedies befall his flock.

If you've ever struggled to make a big dream come true... if you love to laugh or you love chickens — Coop Dreams is for you!
