## The Festivals Series

There is no better way to introduce the richness of a culture and its stunning locations!

*The Fantastic Festivals of the World* series has given viewers around the world the opportunity to visit the most astounding Festivals in fabulous HDTV.

## International Distribution

The programs are viewed worldwide!

*The audience is international.* Networks in South Korea, The Middle East, New Zealand, China, Hong Kong, Russia, Spain, Japan and Italy have purchased our series. Additionally, the **Discovery HD Channel** broadcasts the programs globally.

## The Style

*The programs are not dated, therefore evergreen and can be shown for many years to come. Every program focuses on the country's festival and then takes the viewers "off the beaten path" to highlight the location's hidden treasures along with a popular gastronomy segment.*

## The Award Winning Production

### Team

Producer/Photographer Marc Pingry and Director Sigal Bujman are experienced road warriors who travel as a way of life to experience, discover, and introduce to the viewer unique ways of celebration around the world.
